THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects-

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of One Hundred Eighty-six Dollars (\$186.) for the Dartmouth-Lake Sunapee Region Association for the purpose of promoting and publicizing the natural advantages of the Town, together with other towns in the region.

4. To see if the Town will vote to raise and appropriate the sum of Five Hundred Fifty-five Dollars (\$555.) towards payment of the Concord Hospital deficit.

5. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.) for Pine Blister Rust Control in the Town in co-operation with the State Forestry Department.

6. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in the anticipation of taxes on the note, or notes of the Town, payable on or before December 31, 1959.

7. To see if the Town will authorize the Selectmen to sell property taken for taxes.

8. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and fifty-nine.

WINFRED J. CHASE,
R. J. ELLSWORTH,
AFTON K. HOWLETT,

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires — 3

Number of acres burned — $\frac{3}{4}$

Number of permits issued — 56

THOS. J. KING,

District Fire Chief

L. WALDO BIGELOW, JR.,

LIBRARIAN'S REPORT
of the Pillsbury Free Library for the year
ending December 31, 1958

To the Trustees of Pillsbury Free Library:

The Institute of World Affairs served a tea in the Historical room of the library in August. A very interesting book exhibit was on display at that time. More books were added to the Robert Library of the Institute of World Affairs. These books are kept in the historical room of the library and are available for anyone to read.

During National Book Week, the graded school visited the library and saw two films. These films were, *Make way for ducklings* and *I've been there in a book*. They were lent to us from the state library.

A Christmas film and story-hour for pre-school children and their mothers was held at the library in December. It was well attended and I would like to thank Mrs. Emil Allen and Mrs. Anthony D. Hamilton for their help in making it a success.

The living Christmas tree was lighted again this year by the members of the Civic Improvement Committee of the Warner Woman's Club.

The total number of books loaned this year was 8,072. 156 new books have been added.

For donating books, magazines, pamphlets, and pictures we wish to thank the following: Mr. Arthur Brown, Mr. Richard P. La Mothe, Miss Zora Clough, Mrs. Frank Anderson, Mr. John P. H. Chandler, Miss Sibley Wilkins, Mr. Warren Cofren, Mrs. Harold Hood, DAR, Mrs. Mary Flanders, Mr. Everett Mitchell, Mrs. George Rogers, Mrs. Chester Gooch, Mr. and Mrs. Carrier, Mr. Everett Bagley, Mr. and Mrs. Joseph Curran, Warner Woman's Club, Mr. Benjamin Sawyer, Mrs. Nancy B. Rogers, Mr. George

Leversee, Mrs. James Manry, Mr. and Mrs. Trevor Rea and family, Mrs. William Fenton, Mr. Colin Cosgrove.

The trustees have met in the library for all their regular meetings.

Respectfully submitted,

MRS. IRVING A. GEORGE,

Librarian

There have been a few changes in the faculty this year. Mrs. Mildred White has returned as commercial teacher replacing Mr. Edgar Kenney who resigned to enter business. Mrs. Vernice Dwinnells returned from a leave of absence and is now teaching grade three. Mrs. Sally Bowen, who finished the last school year for Mrs. Dwinnells, was employed as fourth grade teacher, so that now we have a teacher for each elementary grade.

We were quite sure that we would be crowded this year, and that in the next five years we would have still more pupils and all indications are that we will be having more pupils. The fire marshal has inspected both buildings and said that there were too many children in the high school building for the amount of space. He also ordered certain physical changes in both buildings and said that he would close the buildings if the changes were not carried out by the school board. Most of these changes have already been made, and the rest will be completed as soon as the carpenters get to them. The fire marshal also closed the two upper floors of the Masonic Building, and we cannot plan to have our first grade and shop in that block too much longer.

A new building committee has been formed with Russell Ellsworth as chairman, and it is working with the school board preparing plans so that the school district may again vote on the question of additional space for the school children. The work of the previous committee has been very valuable and will save the new committee a considerable amount of time. As yet no definite plan has been agreed upon by the committee, but undoubtedly they will

have a plan and architectural drawings ready for the school district meeting.

I believe there is no great disagreement over the fact that the high school is crowded and that the present first grade room is not what it should be. There is a serious question as to how long the present agriculture room will be approved. If Warner makes no effort to provide better facilities for this program I feel quite sure that it will not be approved. Therefore, Warner is in the inevitable position of needing both more elementary and more high school space.

Building classrooms is an expensive proposition. With building costs running \$12 a square foot and up, a minimum shop of 2200-2400 square feet will cost about twice as much as Simonds High School cost when it was first constructed. With such a large capital investment for buildings a town must plan very carefully what its needs are going to be and how they are going to meet them. A town must plan not only to meet the conditions of the next five years, but the needs of the next twenty-five years. Therefore, many factors must be taken into consideration when new construction is planned, and the solution to the problems are not always easy and pointless.

There is a trend toward consolidation of small high schools and more and more people are accepting this idea. Dr. Conant, President Emeritus of Harvard, has been making speeches all over the country that a school should be large enough to have a hundred pupils in the graduating class. Although few consolidated schools have been established in New Hampshire, the idea is growing and I think there will be increased pressure on all sides to establish larger high school units.

As many of you probably know, a study is being made in the New London area, and the three large towns have already voted for it in principle. If a cooperative district is set up in that area, Sutton will quite probably become a member, and Newbury may possibly. If Warner does not

provide more and better facilities it will tend to push Newbury towards the New London consolidation.

Whatever program is adopted in Warner it must be flexible enough so that if the cooperative school movement grows, and Warner is forced to join with other towns in setting up a cooperative school, they won't be left with some expensive building that can't be used. Therefore, any new construction should be planned so that the new classrooms at the high school level can be converted to elementary space.

I have been through quite a few building programs now, and I have the greatest of sympathy for building committees trying to solve the problem of adequate space for their school children. It is a most difficult and thankless job, and also an expensive one.

I enjoy my work in Warner and appreciate the cooperation of the public schools and teachers very much.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Warner qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1959, at 8:00 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will vote to authorize the design, construction, and equipment of an addition to Simonds Free High School, and the design, construction, and equipment of an addition to The Warner Elementary School.
9. To see if the District will vote to appropriate a sum of money not to exceed One Hundred and Twenty-Five Thousand (\$125,000.) for the design, construction, and equipment of an addition to Simonds Free High School, and the design, construction and equipment of an addition to The Warner Elementary School.
10. To see if the District will vote to authorize the issue of serial notes or bonds in the amount not exceeding One

Hundred and Eight Thousand dollars (\$108,000.00) for the purpose specified in the previous article, and to authorize and empower the School Board to determine the time and place of payment and the rate of interest on such notes or bonds, to provide for the sale thereto and to do any and all such acts as they deem necessary to the issuance thereof, in accordance with the Provisions of the Municipal Bond Statute, N. H. Revised Laws, Chapter 72, and any amendments thereto.

11. To see if Warner School District will vote to authorize and direct the School Board to purchase a tract of land adjacent to Simonds Free High School, not in excess of two acres, more or less, and to raise and appropriate the sum of two hundred dollars (\$200) for the same. (\$200.00 is included in the budget to cover this item).

12. To see if the District will vote to authorize the use of the Capital Reserve Fund previously created by vote of the District, and any and all funds heretofor designated for school planning and construction purpose, and to instruct the Trustees of Trust Funds to pay over to the School Board such funds on their request.

13. To authorize the School Board, acting on the advice of the Building Committee, to enter into all contracts for the design, construction, and equipment of the additions.

14. To see if the district will vote to continue the building committee.

15. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income: the School Board to certify to the selectmen the balance between the estimated

revenue and the appropriation, which balance is to be raised by taxes by the town.

16. To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State Agencies.

Given under our hands at said Warner this 19th day of February, 1959.
